Networking- working for you and your customers!

The Connecting Nillumbik Networking Night was a great success.

The Street Life Networking event on June 27th at Ballara Receptions was a great success. This fantastic event hosted renown speaker Tricia Olsen, CEO and founder of International Customer Services Professional (ICSP) who wowed us all with her enthusiasm and positive look at how each and every one of us can provide better customer service.

"It was very energetic and revitalising." commented Ellen from local business, Sew Quick.

Congratulations to Sue Schrieber from Advanced Fireworks Australia who won the **Connecting Nillumbik Business Excellence Award** in recognition of her contribution to the community and business in Nillumbik. It was obvious to all in attendance that she was very deserving.

Judy from Kids of Eltham said that she came away from the networking with one golden rule in mind— always look after your long time loyal customers.

"It was very informative and I got a lot of information out of it." added Tina from Shekinah.

This event has inspired the Chamber of Commerce to develop a special award of their own in honour of the inspiration no doubt born from Tricia Olsen's presentation. The Community Newsletter which will be distributed within the Diamond Valley Leader on the 19th July will provide consumers with the opportunity to nominate Businesses who they believe provide exceptional customer service. Consumers who nominate go into

a draw for a \$100 Eltham Town Shopping Voucher. The winning Business will be announced at the Eltham Town Gala Dinner on September 16th.

Julie French, Sue Schrieber, Chris Chapple, Tracey Olsen and Jan Soltani.

From the President

There are a lot of things happening at the moment so I would encourage you to take the time to check out the information in this newsletter. Some highlights are:-

ADVERTISING. The relaunch of the Community Card is about to happen with 25,000 copies of our Community Newsletter to be delivered in a week's time. We plan to produce the newsletter four times a year. Check it out and consider how the next issue might help your business. Get in early and call Lucy to discuss your ideas.

NETWORKING. Knowing about each other's businesses and products is probably the easiest way to generate sales. This traders' newsletter, which is produced monthly, is available for you to share your news with your peers at no cost. Just send an email to Rosie or call Lucy.

We have another networking night on 26th July – 6pm at Lazanya's and then there is the Chamber Gala Dinner – September 16th at Ballara – with "Black Cat Bone". Put these dates in your diary NOW!

RUBBISH. The Chamber is continually raising the issues of rubbish, graffiti and garden maintenance with Council. We are pleased to see that the recent budget promises a big increase in this regard and we can expect a much more presentable Eltham Town in future.
